Subject: Data Receipt Forms

Dear Ms. Griffin:

We have not received the Volatile Organic Analysis (VOA), Residential Well data for Alco Springs Industries (95ZB13 - 950131). If this work is completed, would you send another copy to our office? We have received the other organic and inorganic data packages for the site.

Enclosed are the data receipt forms for Albion Edwards Landfill (95ZB10), Alco Spring (95ZB13 without VOA form), Jersey Sanitation (95ZB12), and Landers Landfill (95ZB11). Please call if you have any questions.

Sincerely,

BLACK & VEATCH Waste Science, Inc.
